

New England *Rett*Away 2026

A family retreat for those touched by Rett Syndrome — Freeport & Brunswick, Maine

DATES
May 29-31, 2026

LOCATION
Freeport & Brunswick, ME

REGISTRATION DEADLINE
April 14, 2026

\$50 per family — includes lunch, dinner & adaptive equipment experience

ABOUT THE RETREAT

Welcome to New England *Rett*Away 2026

We're thrilled to invite families to a special weekend in the heart of coastal Maine — a time to come together, share experiences, and create lasting memories. This retreat is designed with your whole family in mind, blending meaningful activities with beautiful surroundings and warm community spirit.

Adaptive Outdoor Education Center will be on-site providing an Adaptive Gear Demonstration throughout Saturday. Families will have hands-on opportunities to trial adaptive equipment — don't miss this incredible resource!

From llama walks on the trails to music in the Event Center, Sibshops for siblings, and more — there's something for every member of your family.

SCHEDULE OF EVENTS
